Aeration Tank Manhole Cover – JPP

Septic Tank Chamber Cover

Recent increased in steel prices and uncontrollable theft problem of steel manhole and trench covers has created a substantial need for durable, corrosion-resistant manhole covers and drain sump made of fiberglass reinforced plastics (FRP).

MuiGrate® FRP Cover is manufactured with high quality Isophthalic Polyester Resin and the exterior surfaces are coated with a UV resistant gelcoat. The standard grit-top surface provides perfect anti-slip flooring. MuiGrate® FRP Cover provides excellent corrosion resistance, easy to install, and offers long term durability. These products are ideally suited for manhole covers, trench cover, platforms and also to control subsurface odours.

Whether covers are rectangular or round, MuiGrate® FRP Cover equally satisfies the unique challenge created by each type of application.
