

MUIFATT planters and flowerpots are designed to be used indoors like commercial office areas, hotel rooms, lobbies, airports or outdoor areas like balconies, parks, parking sites and artiums.

Deco' Pot

Decorative Planters and Flowerpots

Our ornamental planters and flower pots are lightweight yet durable, free-standing and decorative. They are economical, leakproof, seamless and a great alternative to fiberglass or conventional ceramic planters.

Deco' Pot

Decorative Planters and Flowerpots

- Alternative to conventional pots which are fragile and cumbersome
- Good resistance to UV Rays and extreme weather conditions.
- Will not crack, chip or break.
- Lightweight and long-term durability.
- Easy handle and ideal for both interior and exterior applications.
- Available in wide range of colours.
